CELTIC CUP SPONSORSHIP OPPORTUNITIES

Palatine Celtic Soccer Club was founded in 1968 by Bill Hughes and Jimmy Kinsella, a transplanted Scotsman. Together, they were the first people in **Palatine** to organize local children into teams to play the game of soccer. Jimmy named the Club after his home club, **Glasgow Celtic**.

The **Palatine Celtic Soccer Club** is affiliated with the **Palatine Park District** and provides youth soccer programs for **girls and boys ages 4-18**. Many of the players on the William Fremd and Palatine High School varsity soccer teams have played either recreational and/or travel soccer under the Celtic banner. **Palatine Celtic Soccer Club** is also home to **The Celtic Cup** featuring over 375 teams.

Celtic is a **Non-Profit 501c3** organization that has more than **1400 members** (children) playing soccer at all levels of play. Over **900** of these children play in the **Celtic House program**. We also have over **30** travel teams accounting for another **375+ children (7-18)** playing across the state and parts of the Midwest.

Celtic Cup will begin its 39th year in 2019. We have hosted over 375 teams from across the Midwest for the last 5 years. It brings over **10,000 people** to the Village of Palatine every Labor Day weekend. We are currently looking for sponsors to improve the overall experience of Celtic Cup.

The **Celtic Cup** had **55** different playing divisions last year from **U9-U19** including a **U16-U19 Girls College Showcase** that featured some of the top teams in the Midwest. We continue to be the longest running and largest tournament during Labor Day weekend in Illinois. **Gbur Park and Celtic Park** host the majority of the games on the weekend boasting some of the **finest facilities** in all of Illinois each year.

Sponsors enjoy maximum exposure through social media, club website, banners, field signs, and email marketing leading up to the event. Visit www.palatinecelticsc.com to learn more about **Celtic**.
